Did you have a nickname in high school? What was it?

Sweet P

Did you drive a car in high school and if so, what kind?

1968 Ford LTD

What did you do on a Friday night and who were you with?

Cruised the strip with my eventual wife, Tonya.

What is your favorite memory from high school?

Spending time with Tonya and friends.

What activities were you involved in while attending WHS?

Football, basketball, track, band, Student Council.

Who was your favorite teacher and why?

Hank Hamann, he is the reason I am in education and became a science teacher. He made science and school enjoyable. To this day, he is my mentor.

What was the craziest thing you did in high school and did you have fun?

Took a "quick trip" to Quick Trip for some refreshments during school.

Where did you like to hang out or what did you like to do after school?

Where ever we were, Tonya and I were always together. After school was always filled with practices or games.

What did you do during summer break? Did you have a job? If so, where?

Spent time swimming and hanging out with Tonya.

If you could go back to high school and change one thing, what would that be?

Try to enjoy school even more.

What advice would you give current students at WHS?

Take advantage of every opportunity given to you during your high school years, they pass way too quickly.

Any Additional Memories You Would Like to Share:

I will always remember being a part of the 2nd place State basketball team in 1983, and competing in the State Track Championships three times.
